About 1000 A.D. a famous tribe of Indians known as the Leni Lenape invaded eastern Pennsylvania. These "original people" settled in our area and inscribed their history in a "book" made of birch bark plate. This "book," called the "Walum Olum," was the first primitive eastern Indian record which can properly be called a book. Since the Leni Lenape were prominent in our area and called their history the "Walum Olum," we, the class of 1965, should like to record the history of our class in our "Walum Olum."

DEDICATION

We all realize that our teachers have a great influence on us, but how do we measure this influence? It can be measured by the knowledge they impart to us, the freely-given friendship, the advice offered when needed, and the time devoted to their work of teaching and molding us, the students. There is one man, who, more than others, has influenced our class in these ways. Not only has he made a lasting impression on our class as a biology instructor and pep club advisor, but also in the post of Faculty Director of Athletics.

Certainly this man has had a great effect on the school as a whole. The man, to whom we, the class of 1965, dedicate this edition of the "Walum Olum" is MR. NORMAN SNYDER.

Floyd W. Boyer, Supervising Principal

The conclusion of your formal public education is at hand. You have been inducted into an adult society the most marked characteristic of which is its speed of change, and this speed of change is constantly being increased.

It is hoped that each one of you has been sufficiently challenged so that you will have developed an intellectual curiosity which will compel you to continue to seek knowledge. In a dynamic society, it is the continued seeking of knowledge which enables one to open new and untried avenues of controlling and improving man's environment.

May each one of you have a full measure of success and happiness in the years that lie ahead.

No era in history has recorded such rapidly changing conditions thruout the world as the present one. These changes are bringing about a challenging pace of change in education.

It is hoped that you, the members of the largest class to graduate from the Upper Perkiomen High School, are prepared to face the many problems created by these changes.

After graduation some of you will seek employment while others will continue their formal education. Whatever your decision may be, it is hoped that all of you will be "Pressing Onward," ever seeking to find the good, the desirable, and the valuable for all concerned.
Best wishes!

C. A. Roth
Principal

Warren C. Schlegel, Assistant Principal

To the Class of 1965:

Formal education is a tool for fashioning success. We, the administration and faculty of Upper Perkiomen, have tried to help you acquire and sharpen that tool. Now, as you leave us, you will realize that self-education is an even better instrument. May you learn to use it effectively and constantly while you are "pressing onward."

Good luck and success in making your own happiness.

"There is a tide in the affairs of men
Which taken at the flood leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat,
And we must take the current when it serves,
Or lose our ventures."
Shakespeare

SENIOR CLASS OFFICERS: Janet Ruth—Secretary, Denny Hunsberger—Vice-President, Jane Graber—President, Stan Graber—Treasurer.

CLASS HISTORY — 1965

As our last year of high school ends, we, the class of 1965, look back on the preceding years with mixed feelings. We are again feeling the awe and fright we felt as we entered the school as freshmen. As we leave we take with us a valuable education and many priceless memories.

In 1961 we encountered one of the greatest challenges of our gradually maturing lives—our freshman year at Upper Perkiomen High School. All of us began to feel the enthusiasm of participation. We sponsored our first dance, "Peppermint Fantasy", in one of the winter months of our first exciting year. Our freshman class officers were: Jane Graber, president; Kurt Weiss, vice-president; Bruce Schantz, secretary; and David Eckhart, treasurer.

As sophomores, we proudly wore our red and white class hats and ordered our coveted class rings. Jane Graber led the class as president, Stan Graber as vice-president, Pat Styer as secretary, and Ronald Kolb as treasurer. Our class motto, "The higher the climb, the broader the view", was chosen, as were our class colors, red and white, and our class flower, the red rose. "Twilight Time", our sophomore dance, climaxed the year's activities.

Our junior year was filled with numerous events—student council elections, the class play, prom committees, and the prom itself. Talented members of the class performed in the comedy, "Curtain Going Up", which was produced and directed by Mrs. Raymond. January 29 was the date of our junior prom, "Camelot", which was a huge success. Jane Graber again held the highest class office supported by Ronald Kolb, vice-president; Janet Ruth, secretary; and Bruce Schantz, treasurer.

Finally we reached the climax of our high school days when we entered school in September, 1964. Now we, the seniors, were looked upon as the student leaders of our educational institution. We again voted Jane Graber president of the class. The office of vice-president was filled by Dennis Hunsberger. The class secretary was Janet Ruth and the treasurer was Stan Graber. "Pure as the Driven Snow" or "A Working Girl's Secret", our senior class play, was presented by our energetic thespians. On May 23, 1965, we danced to the romantic refrains of the Norristown Band at our prom, "Plain and Fancy". The New York World's Fair was selected as the site for our class trip, which was our last chance to be together as a class. On June 9, 1965 we left behind our happy school days to press onward into the more serious world of adults.

JUNIOR PLAY

In April, 1964, we presented our Junior Play "Curtain Going Up", a comedy dealing with the production of a high school play. Miss Burgess, played by Susie Schantz, found herself faced with many obstacles hindering the production of her first play. Among these were: a grouchy janitor, Steve Szegda; the disappearance of the playbooks; a stage-struck heroine, Jane Graber; her bewildered boyfriend, Max Weiss; a ham actor, Sasha Siemel; an athlete, uneasy on stage, Ray Bowlin; a banker's daughter driven to theft by her father's ambition, Ann Richard; and a romantic partner for Miss Burgess herself, Ronald Kolb. Because of Mrs. Anne Raymond's capable direction, the cast was able to give a brilliant performance.

The senior class put forth their last dramatic effort as a class on November 20 and 21, 1964, when they presented "Pure as the Driven Snow" or "A Working Girl's Secret", a satire on old-time melodramas. It was complete with an innocent young heroine (Jane Graber), a dashing hero (Jim Landis), and a black-mustached villain (Sasha Siemel). The heroine, although she loved her hero, refused to marry him, claiming her secret compelled her to remain single. When the secret was disclosed and shown to be insignificant, the two finally married. Steve Szegda, as owner of Uland Inn, provided humor throughout the play with his zany puns. Not only did these energetic thespians display great acting talent, they proved they had singing ability as well. Old-fashioned songs such as "Daisy, Daisy", "The Man on the Flying Trapeze," and "Bird in a Gilded Cage" were sung. The atmosphere in the auditorium was made authentic by the smell of the hot popcorn which was sold. The entire cast, the stage crew, and particularly the indefatigable Mrs. Raymond combined their talents to produce a truly excellent production.

MUSICAL COMEDY

The year 1965 saw something new being done at Upper Perkiomen. Amateur thespians from the entire senior high combined their talents with those of the chorus to stage a riotous and memorable production of the popular musical comedy, "Our Miss Brooks".

Connie Brooks, a well-liked high school English teacher portrayed by Susie Schantz, wistfully wished to acquire the handsome athletic coach (Max Weiss) as her lifetime partner. Her efforts to snare him are thwarted when Mr. Wadsworth (Dennis Sine), the principal, demands that she direct the school play. This means that she and Hugo, the coach, will be in constant disagreement over the use of the gymnasium for rehearsals. Her efforts to produce a good play are hindered by a romantic triangle between Jane, a charming co-ed portrayed by Carol Bauman; Ted, the high school athletic hero (Richard Weikel); and Rhonda, an attractive and sophisticated student played by Ann Walker. Miss Audobon (Peggy Mayer), a fellow faculty member, and Mrs. Allen, Rhonda's mother and president of the school board, also contribute to Miss Brooks' miseries. But all ends well as Connie and the coach and Jane and Ted all find their long-awaited happiness.

Mrs. Anne Raymond, Mr. Tom O'Connor, and Mrs. Nora Jacobs molded the cast, the crew, and the accompanists into the team which presented this uproarious revue.

Returning from a championship season to do better than the previous gridiron team is an extra-difficult task. Although failing to fulfill preseason supremacy predictions, Coach William Keeny's fighting Indians accomplished their third straight winning season, compiling a respectable 9-2 overall log.

Among these outstanding pigskin performers on the squad to appear on the Bux Mont all-league first team were: Seniors Stan Graber, Denny Kleinbach, Kurt Weiss, Fran Schwenk, and Steve Szegda. Second Team and honorable mention included Keith Kleinbach, Dennis Hunsberger, Dale Novicki, Warren Long, Larry Mack, Dave Schott, Greg Gebert, and Rich Weikel.

A salute to the players and coaches for another tremendous season of football thrills, providing the greatest enthusiasm ever for an Upper Perkiomen team.

Upper Perk's tacklers bringing them down – good and hard!

UPPER PERK RANKS THIRD IN BUXMONT COMPETITION

Fifty-six boys had their hopes high in preparing for the first scholastic battle with Boyertown on September 19th. The non-league contest provided many pre-season thrills in producing a well-earned Upper Perkiomen 18-7 victory. Senior Fran Schwenk received major glory, gaining 122 yards, and scoring one touchdown.

Bux-Mont league activity began a week later, Upper Perk having to fight hard to secure a 25-0 win at Upper Moreland. Stan Graber fired two touchdown throws to Greg Gebert, one for 55 yards, while Kurt Weiss and Galen Dulin handled the ground game scoring.

Early heartbreak came the ensuing weekend when, after leading for three periods by a touchdown, the Indians suffered a final quarter let-down, losing in a valiant struggle to Pennridge, 19-6. Schwenk managed the only touchdown of the game for Upper Perk, and Danny Hunsberger displayed fine talents at his ofensive safety position in a losing cause.

Central Bucks was victim of an Upper Perk resurgeance, 33-12. Junior halfback Tom Henry under the lights, gaining 135 yards and scoring once. Stan Graber threw three of his league-record 17 touchdown passes, two to favorite target Denny Kleinbach, while defensive ace Steve Szegda sparked the secondary.

Three games of power followed, the Keenymen keeping themselves in the race with a few easy victories. Stan Graber, displaying his greatest efforts of a two year scholastic career at quarterback, connected for three more touchdowns and scored one himself, leading his team to a 36-12 rout over Springfield. Bruce Schantz's running power, Denny Kleinbach's two touchdown receptions from Graber, and Stan's three passes and touchdown were all that was needed for a handy 46-14 trouncing of Hatboro. Finally, Wissahickon felt the brunt of the Indians attack, falling victim to a 33-0 score.

1964 FOOTBALL BOXSCORE

September 19 – Boyertown 18-7
September 25 – Upper Moreland 25-0
October 3 – Pennridge 6-19
October 9 – Central Bucks 33-12
October 17 – Springfield 36-12
October 24 – Hatboro 46-14
October 31 – Wissahickon 33-0
November 7 – North Penn 20-7
November 14 – Quakertown 26-18
November 26 – Souderton 12-27

North Penn led at the half, but Rusty Engle's extra point conversion eventually decided an Upper Perk 20-14 victory. Fans at the important battle saw Bruce Schantz reach his peak running form of the season, while Kurt Weiss displayed all-league form on defense. The latter was lost for the remainder of the season because of an injury in this game, which could have been a decisive loss. Offensive guard Dave Schott threw a key block for Graber to score the winning touchdown that afternoon.

For the first time since Bill Keeny has been at Upper Perkiomen, his understudies defeated rival Quakertown, 26-18. Schwenk and Schantz headed a torrid ground game, while Graber and Kleinbach handled the air ways.

Finally, in the runner-up battle on Thanksgiving Day, the traditional trophy went to Souderton as the Red Indians defeated the Blue and Gold, 27-12. Larry Mack was outstanding defensively for Upper Perk, and Denny Kleinbach gathered in his tenth touchdown pass of the season, with but a few seconds left in the game.

This was the climax of another great year at Upper Perkiomen High School in Varsity Football. Stan Graber went into Bux-Mont league record books for total season and career touchdown passes. And the game will go down in Upper Perk record books for being one of the greatest of all time, living in our hearts for years to come.

After an inspiring week at hockey camp, the girls returned home looking forward to a successful season. Although the season was not as successful as the girls had hoped it might be, both the coaches and the players agreed it was the best as far as teamwork was concerned. Their hard work, sportsmanship, determination, and teamwork "doubled their victories and halved their defeats."

Upper Perk's hockey team opened the season September tenth in their first league game at Boyertown. After a shaky beginning, the Squaws settled down and dominated the rest of the game winning it 2-1. Sharon Miller scored in the first half and then pushed the winning goal across in the second half.

The girls' second win came in another non-league game at the expense of Emmaus. Completely dominating the game, the Squaws came out on top with a 6-0 score. Renee Gendebein scored early in the opening period; and goals were clicked off down the line by Susie Mensch, Diane Hallman, and Sharon Miller by the end of the half. Sharon Miller and Jane Baver, our center halfback, tallied in the second half completing the score.

Upper Perk's first Bux-Mont encounter resulted in a 1-0 loss to Hatboro. Although the squad improved throughout the game and dominated the second half, they were unable to overcome the early goal the Hatters had acquired.

The hockey team's next Bux-Mont encounter was North Penn. Susie Mensch, our left inner, scored the first goal of the game. But the North Penn lasses rebounded from the setback to tie the game before the first half had ended. Both teams came back with renewed energy and spirit in the second half. Despite the valiant efforts of our defense and offense, North Penn managed to push another goal, winning the game 2-1.

The girls then traveled to Upper Moreland to play a game that had been postponed three times. The team played an excellent game against the "Bearettes," who hold first place in the league standings, although they lost 2-1.

The Squaws' next defeat came at Pennridge. The girls held the Rams scoreless during the first half despite their many threats. Pennridge redoubled their attack in the second half to win the game 2-0.

On October 15th the girls' hockey team played hostess to Wisshickon. Sharon Miller scored the first goal of the game for Upper Perk. Wissahickon was not to be daunted; they came back fighting to tally two goals for their side. In about the last ten seconds, our sparky, little center forward, scored on a drive from Jane Baver to tie and end the game at 2-2.

The Squaws' next game took them to Quakertown. Neither team was able to score in the first half, although there were many opportunities to do so. After a few strategic changes, the Upper Perk girls came back in the second half to score two goals. The goals were scored by Linda Keyser on set-ups across the cage by Jane Baver. Upper Perk won the game 2-0.

The girls' next competition was Central Bucks. Diane Hallman scored the first goal in the game on a determined rush by the forward line. Central Bucks attacked with renewed strength and tallied two goals by the end of the first half. Although the Squaws tried hard, they were unable to overcome Central Buck's lead. The score by the end of the game remained 2-1.

The hockey team met their last opponent at Souderton. Both teams held each other scoreless throughout the first half of the game. Souderton managed to tally one goal during the second half. The Squaws had several chances to score but failed. The game ended in Souderton's favor 1-0.

Upper Perk, by edging tough Bux-Mont foe Springfield, 65-62, clinched a title tie. Stan Graber tallied 28 in the thriller. An easy 71-41 rout of Souderton in the last scheduled game accounted for the first Bux-Mont League Championship for UP in our school's history. On went the Braves into Class A District One PIAA playoffs. Upper Dublin felt the effects of the Indians' strength at Cheltenham, 62-52, as each of the "Big Five" hit double figures. A superior second half accounted for a free ticket to Yardley and advancement in the playoffs.

Rusty Engle swished a pressure-jump shot with three seconds to go, giving Upper Perk an almost unbelievable 48-46 upset victory over Springfield of Delaware County. Again four of the starting five hit over 10 points, thus earning the right to play in District semi-finals at the University of Pennsylvania Palestra.

The dream ended when a talented Chester ball club defeated UP, 70-50, despite stunning efforts by Denny Kleinbach. But the thrill of the memorable year will live forever in the hearts of those who witnessed it.

One may look with pride on this year's primarily — sophomore junior Varsity squad, amazingly numbering seventeen-strong. Coach Mike Duka groomed the Jayvees through a winning season, in hopes of providing experience to prepare them for their future seasons on Varsity. This was a schedule of thrills, with a majority of victories coming to the junior tribe.

Winning their first four games, and eight of their first eleven, Upper Perk appeared headed for the top. Bill Gebert, Steve Reeder, Pete Reigner, Jim Nace, and Bruce Marks led the high scoring attack, with Rich Butterweck, Mike Rickert, and John Balmer all coming on in the late stages. These promising sophomores met some rough going in the latter part of the season, but still finished with well over half their games as victories.

Big wins over Quakertown, Central Bucks, and Souderton made up for one-and-two-point losses to North Penn and Springfield. However, the spirited play of these understudies gives our future classes high hopes of many more successful seasons in the Varsity ranks.

Let's go Denny! Jump it up!

The final league victory led Upper Perk to the Palestra via Upper Dublin and Springfield Delaware County.

WE'RE ON TOP!

Following a 62-46 loss at the hands of Boyertown in a non-league contest, Upper Perk triumphed in four straight games. High-light of the series was a 42-38 overtime win over strong Upper Morland, Denny Kleinbach scoring 16 points. Rusty Engle tallied 24 in an easy Hatboro rout.

North Penn edged the Braves 63-57, but Upper Perk bounced back with two more key victories, and overtime contest at Wissahickon, 42-40, and a 49-43 win over Pennridge. Stan Graber starred in both battles. Springfield cut the streak by edging the Warriors, 65-61 at home.

Six straight victories boosted the morale and the team into first place. The Upper Moreland and North Penn games will be remembered for years, Stan Graber leading the tribe at Upper Moreland with 17 points, and Rusty Engle scoring a season high, 25 against the Knights. Denny Kleinbach hit for 20, almost reaching his best of 22 achieved earlier against Quakertown.

Pennridge upset the Blue-and-Gold the following week, despite the 15-point efforts of big Keith Kleinbach. However, it wasn't enough to conclusively mar the record of the Indians, as they went on to finish the season like champions.

Four seniors bow out of a memorable career following this banner year, while the majority will return next year to try and match these enviable efforts. But whatever occurs in the future, the mind will always reflect to the past to the miraculous work of Steve Ruby, and to the fabulous performance of Upper Perk in the 1964-65 season.

Never in the history of Upper Perkiomen High School has anyone seen a more exciting or more successful basketball squad, as this year's club modeled by second-year coach Steve Ruby. On the night of February 19, when the Indians trounced Souderton, 71-41, Upper Perk was crowned "Bux-Mont Champions of 1965." With the aid of Mike Duka, Coach Ruby performed the impossible in the span of two short seasons, restoring the enthusiasm of this once-dead sport at UPHS. It was a tremendous season for senior co-captains Denny Kleinbach and Stan Graber, plus juniors Rusty Engle, Keith Kleinbach, and Jim Young, and the rest of this top squad. Congratulations on their outstanding achievements, including representing the league in the PIAA State Championship Playoffs.

GIRLS' VARSITY BASKETBALL

The Upper Perkiomen Indians supplied their followers with a season of thrills and chills, but few satisfying memories in the winning column. Finishing with a 3-5 record, the girls topped Quakertown, Central Bucks, and North Penn. They fell to Souderton, Hatboro, and Upper Moreland by one point, and to Pennridge by two points, in last minute heartbreakers. The Indians were also defeated by Wissahickon.

The team's coach, Mrs. Bishop, is to be congratulated for the fine attitude, play, and excellent sportsmanship displayed by the team throughout the season.

The Junior Varsity under the guiding hand of Mrs. Utz had a slightly more encouraging season of 4-4. Their determination and good sportsmanship as JV players this year are bound to lead them onward and upward to victory as varsity players next year.

VARSITY BASEBALL

Optimism was possibly the greatest it has ever been for Upper Perk baseball this season. Coach Bill Keeny and assistant Walter Schmidt sensed greater ability than ever on this 1965 squad.

Most of the "Big Bats" returned from a pretty average 1964 season. Among them are senior infielders Stan Graber, Denny Kleinbach and Doug Bauer, and outfielder Denny Hunsberger. All-purpose pitcher-fielder Bruce Schantz, with Larry Leister, Bob DeLong, and Gar Hafler also returned for their last and hopefully best, term.

Juniors Keith Kleinbach and Scott Wehr would supply needed power, while former Jayvee hopefuls Steve Reeder, Fran Schwenk, Tom Hallman, and Marty Bauer expected to see action.

Therefore there was good reason to expect a spirited battle to the top of the Bux-Mont race. At least it was apparent that there was sure to be improvement in every department with determination so high in pre-season drills.

TRACK AND FIELD

This year's track team was decidedly outclassed by the majority of their Bux-Mont opponents. But referring back to practice efforts and spirit, the Indians were never outfought. Coaches Steve Ruby and Joseph Procak definitely made a little go far this year.

Successful competitors bowing in their senior year included half-miler Jim Metz, hurdler Larry Mack, and sprinter Ed Swierzewski. Bob Brand at the pole vault and shot-put man Dale Novicki similarly ended their careers. Seniors participating in their scholastic years were Kurt Weiss, Galen Dulin, Barry Mensch, Fran Schwenk, Willard Fichter, Greg Gebert, Steve Szegda, and Henry Genowa.

The coaches will work on the underclassmen more this year than ever before. Bright prospects include Rich Weikel in the javelin, Rich Brand in the pole vault, and Ralph Roberts in the distance run.

Wins may have been scarce, but pride is instilled in every participant who represented Upper Perk in each meet.

"SOFTBALL IN ACTION"

Under the guidance of their capable coach, Mrs. Utz, the girls are looking forward to a fairly successful season this year. Although they cannot better last years record by much, they will strive to equal it.

The six returning lettermen: Sharon Miller, Peggy Stoudt, Susie Mensch, Jane Baver, Linda Keyser, and Marianne Miller, who played intricate parts in achieving the tri-championship last year, will serve as the nucleus for this year's team.

We congratulate the team on last year's successful season and hope that this year's will be just as rewarding.

STUDENT COUNCIL

Student Council Officers: F. Schwenk — Captain of Monitors, K. Weiss — Vice President, S. Sie mel — President, M. Genszler — Secretary, R. Kolb — Treasurer.

Progress has been the keynote of this year's active Student Council. Under the able guidance of its President, Sasha Siemel, and its sponsor, Mr. Donald Hagenauer, they have undertaken and successfully completed several projects of value to the student body.

The Council sparked the school's social calendar by sponsoring a spring dance as well as several dances after home basketball games. The Christmas spirit stimulated by their "Decorate Your Door" contest brightened the corridors during the holidays. These capable school leaders planned various excellent assemblies. School jackets, sweatshirts, bookcovers and decals were sold by this ambitious group.

The student body extends its sincere gratitude to these hard-working leaders.

Jim Metz became the financial wizard of this enterprise.

From September to April the entire staff, advised by Mr. Frederick Schlicher and Mr. Lou Foye (representative of the American Yearbook Company), worked to compile this history of the class of 1965. The staff sincerely hopes that their efforts will make it possible for each class member to recall many happy memories of his high school years throughout his life.

The members of the Upper Perkiomen Chapter of the National Honor Society have been diligently striving to maintain their standards of scholarship, leadership, character, and service throughout this year. They have undertaken the responsibility of helping to sponsor Monika Hennig, our International Christian Youth Exchange foreign student, by their successful sale of football badges and mums for the Thanksgiving Day football game. The NHS also continued the policy of a tutoring system open to all students desiring educational aid.

Under the guidance of Mr. Lawrence Nase and Mr. Frederick Schlicher, the 1964-1965 officers who led the student society were Susan Schantz, President; Ronald Kolb, Vice-President; Linda Schwoyer, Secretary; and Jane Graber, Treasurer.

At an impressive ceremony held on March 9, 1965, eleven new members were inducted into the society.

Under the guidance of Mrs. Utz and Captain Kathy Weiss, our cheerleaders introduced popular cheers and new chants, many of which were learned at the American Cheerleading Association camp they attended last summer.

The Jayvee Cheerleaders also displayed vigor and spirit as they did much to boost the morale of the successful Junior Varsity Basketball squad.

SR. MARCHING BAND

TRUMPETS BLARE!

This past year the U.P.H.S. band has been gaining recognition performing at football games, marching in parades, and playing in concerts. Under Mr. Vincent Bercher's excellent supervision, the band gave superb performances at athletic contests. Halloween parades, a Mardi Gras parade, and a trip to the University of Pennsylvania are only a few of the extras in which our band participated.

Upper Perk was represented in the Bux-Mont band by 14 musically talented students. The list includes Robin Renninger, who honored the school by qualifying for the United States of America Band, Sandra Heimbach, Robert Fetterman, Marvin O'Connor, Frank Ruth, Mary Hunsberger, Linda Koons, Ralph Roberts, Ronald Kolb, Harold Clemmer, Susan Mensch, Richard Brinckman, Homer Hagenbuch, and Robert Stong.

The Senior FHA chose as their president Betty Moser. FFA

The Upper Perkiomen FFA Chapter had a very successful year. The department received a superior rating from the Agricultural Division of the Pennsylvania Department of Public Instruction. Their exhibit took first prize at the Kutztown Fair and second place at the state contest. Here Abner Karver won the Holstein Grand Championship of Pennsylvania. The chapter won top honors in the overall school competition, the nearest opponent over one hundred points behind. Also in this competition Gerald Harpel had the grand championship poultry exhibit; Jeff Treichler had the reserve champion poultry exhibit; Paul Yoachim won eleven ribbons and a reserve championship in swine competition; Ken Engleman won the Brown Swiss championship. Both Karver and Engleman won blue ribbons at the Southeastern Dairy Show in Hershey, qualifying for the state show in Harrisburg. In state competition both took blue ribbons in their classes, and Karver won the Pennsylvania Junior Grand Championship for Holsteins. His senior yearling Holstein qualified for All-American honors. Abner Karver, Paul Yoachim and John Derr all received the Keystone Farmer Awards at the convention held in Harrisburg.

We wish to congratulate the chapter on their fine record of achievements and we hope they will continue to be champions.

The 1964-65 officers were: John Derr, president; Ray Bowlin, vice president; James Lesher, secretary; Jeff Treichler, treasurer; Paul Yoachim, reporter; Donald Kriebel, chaplain; Andrew Henry, sentinel; Barry Stofflet, parliamentarian, and Terry Stauffer, Historian.

SPECIAL SERVICES

Mrs. Myrtle Wilkins, R.N.

The students at Upper Perkiomen are so accustomed to a well-run school and efficiently operated cafeteria, that many fail to keep sight of the conscientious efforts of the staff workers who keep us warm during winter and well-fed the year round. The many details they attend to in the course of the day provide us with comfort and convenience which makes our road of life easier and more complete. We must also appreciate the medical aid and advice of our competent nurse and the efficient work done by our secretaries. Without them it would be difficult to maintain an efficiently run school. We wholeheartedly thank the staff for their unending efforts.
